Fulbright Association 42nd Annual Conference

Connecting Minds and Hearts for Global Change

October 24-26, 2019 | Greater Washington, DC area

The Fulbright Association is the U.S. alumni association representing the 140,000 U.S. alumni of the Fulbright Program. The Association is dedicated to promoting the flagship program for international education and cultural exchange; enriching the experiences of visiting Fulbright students, teachers, and scholars in their host communities; and fostering a global network of Fulbright alumni.

Learn more at www.fulbright.org.

The Annual Conference brings together over 350 participants, including students and young professionals seeking career advancement and employment opportunities. Last year, the conference featured 20 unique alumni-led panels, 41 groups presenting in roundtable discussions, and 41 poster presentations. Companies are invited to sponsor travel grants for these elite Fulbrighters who have been awarded the opportunity to present their research. In return, you are invited to attend the conference and engage with them through our career fair, receptions, and 1-1 sessions. These Fulbright scholars recently conducted international research, graduate study or taught English as a second language, and are global diplomats dedicated to promoting cross-cultural understanding. Your sponsorship will enable these Fulbrighters to attend this year's conference and meet with you and your company representatives.

Your participation includes:

- Engagement with top job candidates in career fair, as well as other conference events
- Enhance visibility for you and your company on the global stage through branding opportunities
- Enable us to provide travel grants for young Fulbright alumni to share their research
- Foster a relationship with the Fulbright and global education network
- Support the Association's mission of promoting international understanding through education
