

Thank you for supporting the Fulbright Program

America's flagship international exchange program

The Fulbright Program is funded for FY19 at \$271.5 million,
and we are grateful for your support

For more than 70 years, Fulbrighters have...

- Spread understanding and respect for American culture and values
- Built networks of friends that anchor American national security
- Brought expertise and critical language skills to every state in America

The Fulbright is a bold investment in leadership worldwide

(Continued funding at FY19 level)

What is the Fulbright Association?

- We are an independent, non-profit membership organization of U.S. alumni of the Fulbright Program and of universities and colleges across America that benefit from the Program.
- We were founded in 1977 with the support of Senator J. William Fulbright to advocate for the Program and promote international education.
- We have members in every state and congressional district.
- We have 54 chapters in 38 states which offer educational and community outreach programs to magnify the impact of the Fulbright Program.
- Our national programs include an annual conference, service travel, and the awarding of the Fulbright Prize.
